PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

HOSPITAL IS FORCED TO CLOSE

RECENT OPERATIONS

By Paul Rardin

I regret very much to lose a perfectly good advertiser but when he comes in and says: "Please stop my ad, I've got all the work I can do," there is nothing I can do but stop his ad. It happened again this week when Thomas Handley came in, threw up both hands and issued the above instructions. Thomas has a dragline and a few weeks back he was about to run out of work. We talked about an ad in the paper for a few weeks. It ran. Thomas now has contract for enough work to keep him busy for many weeks. So, I've lost a perfectly good advertiser but another Ex-GI has been made happy.

I'm ready to take the chissings that will come next week when I close the bridge out to Streamline on the Muck City Road. I have issued instructions to my road crew to build a new bridge (without a hump in its back) and the only way it can be done is to halt traffic while it's under construction. So, next Tuesday and Wednesday it's going to be a long way 'round to get to Streamline, but there is no other answer.

Gloria Willis Is Star In Theatre

Te New Milford (Conn.) Times has many kind things to say about Miss Gloria Willis, daughter of Charles G. Windy Willis of Pahokee, who is being starred in several plays this summer at the Theatre-in-the-Dale, in the Connecticut town.

In commenting upon Miss Willis' ability as an actress the paper says in part: "Gloria Willis, featured in the role of Judy in 'The Shining Hour,' gives a tenderly appealing performance. She touches her lines with humor and poignancy and has about her a curious and fascinating blend of youth and age."

In another section of the paper appeared an interesting article telling of "a delightful afternoon tea enjoyed in honor of Miss Gloria Willis, who in the past few weeks has made a decided impression upon folks in this section with her acting at the Theatre-in-the-Dale. Miss Willis' father, C. G. Willis of Pahokee, Florida, was also a guest of honor, having been here for a week."

That Miss Willis has made a decided hit with her particular brand of acting goes without saying as the paper week after week has had only the very highest complimentary remarks to offer about her. Her father returned to Pahokee a few weeks ago where he is commercial agent for the Atlantic Coast Line railroad.

Hospital Board

Here is the board of directors of the Western Palm Beach County Hospital District, operating the Everglades Memorial Hospital in Pahokee, as they have been appointed by the governor:

V. C. Denton, Chairman
M. D. Geiger, Vice-Chairman
Rupert Muck, Sec.-Treas.
Mrs. Ruth Wedgworth
Mrs. H. T. Williams
Herbert D. Beck
E. R. Mackey
George Royal
W. P. Risk

If you, as a citizen of this area, can think of a solution for the dilemma in which the board finds itself, please get in touch with them at once. It will be greatly appreciated.

Blue Devils Train At Lake Osborne

The Pahokee Blue Devil football squad under the tutelage of Coach Clyde Alley is getting a real pre-season work out at Lake Osborne according to those who saw them in action at their training camp the past week.

Among those who visited the Blue Devils were Frank Rozelle, Mrs. Raymond Caruthers, Mrs. Jessie Barnes, Mrs. W. A. Stevens, Mr. and Mrs. David Unwin, Mr. and Mrs. Delmar Hooks, Mrs. Clyde Alley and children, Henry Barwick and daughter, Betty Jo Brooker, Margaret Powell, Jean and Loretta Willis.

"Uncle" Tom Campbell, who has followed with unflagging interest the development of Blue Devils teams from way back, is staying at the camp to give the boys some of his sage advice and bolster their morale.

4-H Clubbers Will Have Meet Today

Starting today at 10 a. m. in the home demonstration kitchen in the court house in West Palm Beach the 4-H clubbers will hold a nutrition work meeting. At noon luncheon will be served from dishes prepared in the morning.

The workers will aid the agent in planning work for the coming year. If time permits the girls will do craft work during the afternoon.

The following local girls will participate in the meeting: Rocio Stuart and Jenn Platt of Canal Point, Nancy Hall and Nina Strake of Belle Glade and Doris Martin of South Bay. Mrs. M. J. Michaud, assistant home demonstration agent, will be in charge.

Miss Grace Webb has returned to Wauchula after a visit with Miss Lois Morgan in Pahokee. She was accompanied to Wauchula by Miss Morgan, Miss Ann O'Connell and Potter Howell.

Unless immediate and drastic action is taken over the week end, the Everglades Memorial hospital in Pahokee will be closed next Monday, Sept. 2, at expiration of the present lease, according to an announcement made late yesterday by an official of the hospital board. Closing of the hospital will be a severe blow to the entire Everglades area of Palm Beach county which it now serves.

The building in which the hospital is located is the property of Mrs. Estelle Wooten of Pahokee and has been occupied under lease since inception of the hospital. A new lease has been presented the board by Mrs. Wooten calling for increase in rental of \$85 monthly bringing the total to \$200 per month and expenditure of an extra \$1,300.00 for improvements before Sept. 1, 1947, and an additional \$1,000.00 of a further sum of \$1,000.00 for improvements before Sept. 1, 1948.

All of these increases the hospital board agreed to in an effort to perfect a new lease and keep the hospital open. But, a working agreement affecting Mrs. Laura Ferraro, a sister of Mrs. Wooten, proved the stumbling block for the hospital board. Mrs. Ferraro is now an employee of the hospital and the demands set out in the working agreement are unsatisfactory to the board. Mrs. Wooten has said that it is necessary for the working agreement to be signed by the board before she will sign the new lease.

Portinent facts of the Ferraro agreement are: Her pay shall be raised from \$137.50 to \$167.00 per month; the agreement shall be in force for two years; specific hours for her employment shall be from 3 p. m. until 11 p. m.; she will be subject to the superintendent of said hospital only in the taking of medical and professional orders; and that said Mrs. Ferraro shall have the privilege of distributing religious literature and uttering prayers for persons when requested; Mrs. Ferraro shall receive her meals when on duty at said hospital; have privilege of having her laundry done by said hospital; receive one month's vacation with pay each year of the two years' term of contract.

The board has studied diligently on the lease and the Ferraro working agreement and finally decided that conditions of the latter cannot be met. So, the outcome of the whole thing is that on next Monday the lease expires and there remains nothing else for the board to do but close the hospital.

Davis Cafe Under New Management

Mr. and Mrs. J. C. Davis this week sold their cafe in Pahokee to Mack Rushing and G. J. Fisher of North Carolina. The new owners have already taken over operation of the cafe. Mr. and Mrs. Davis bought the cafe about six months ago from Mrs. J. C. Tabb who is now operating the Pahokee hotel.

Bridge To Muck City To Be Closed For Two Days

The bridge going out to Streamline on the Muck City road will be closed to traffic next Tuesday and Wednesday, Sept. 3 and 4, according to an announcement made by County Commissioner Paul Rardin. The commissioner said that his plans call for a new bridge at the spot where the old one is about to cave in, and that it will be necessary to close the road for two days while construction is under way.

Lions Hear Hill On Power Expansion

R. D. Hill, West Palm Beach manager of the Florida Power and Light Company and Lieutenant colonel of the National Guard, was guest speaker at the Tuesday luncheon meeting of the Pahokee Lions Club. Introduced by M. I. Keen, program chairman, the speaker told of FP&L's program of expansion to keep in pace with the growth of Florida and the vast developments in the Everglades area.

"Power needs in the Everglades for several years to come have been anticipated with the recent installation of the 66,000 volt high line from Fort Lauderdale as a feeder line at the south end to complement the 66,000 volt high line from Fort Pierce reaching into the Glades from the north, he said. The new power plant, now under construction at Riviera and considered the most modern and efficient plant of its kind in the world, was also pointed out by Mr. Hill as an example of measures being taken by FP&L to keep well in advance of the power needs of the state.

Announcement was made of the purchase of \$1,920 worth of steel for the new public swimming pool sponsored by the Lions and construction will start as soon as the city is able to find a suitable location for the pool. It was also announced that local Lions raised approximately \$100 in cash as a contribution to the workshop for the blind and near blind sponsored by the West Palm Beach Lions Club.

Lavon Batchelor and Bill Golden were received as new members of the club.

TO FILL PULPIT

Rev. B. T. Beckham will supply Canal Point Baptist Church Sunday, September 1st. He will speak at 11 a. m. and 8 p. m. Rev. Beckham has just been discharged from the Navy after 4 years service.

Milton Carpenter, S. 2-C, will return to the base at Bainbridge, Md., after spending a week's leave with his parents, Mr. and Mrs. O. D. Carpenter, in Pahokee.

DeMoya Tells WPB Rates Of Growth In Everglades Area

"Another Clewiston is in the making out there," said P. P. "Pete" deMoya, president of the Pahokee Rotary Club, Tuesday, referring in an address before West Palm Beach Rotarians to the new \$2,500,000 plant of the Okeelanta Growers and Processors Cooperative.

"Another sugar city is growing up just south of South Bay," DeMoya told the Rotarians, disclosing that the new sugar firm is planting thousands of acres of cane and will employ 15,000 workmen. A company village, housing 400 employees, already is springing up around the new mill and granulation plant.

In an eye-opening description of the phenomenal expansion of agriculture in the Glades, deMoya pointed out that the Glades is no longer exclusively a bean country, but is producing 21 different varieties of vegetables.

"We've practically taken the celery market away from Sanford," said the speaker.

He pointed out that, where 74 per cent of the vegetables shipped out of the Glades last year was in beans, this year the percentage has dropped to 27 per cent. One out of every four carloads moving out of the Glades during the past year was loaded with celery.

DeMoya also hinted that a revolutionary treatment of potatoes may be in the wind out there in the back country. He told how Glades potatoes were being processed through an infra-red tunnel which prolonged their fresh quality, and Northern wholesalers were very enthusiastic.

DeMoya foresaw the growth of small industries in the Glades with the advent of successful ramie production. He declared that small de-gumming plants would find an economic place in the finishing operation of ramie, taking the de-corticated product from the mills and processing it for the textile market.

"You folks here in the suburbs," said DeMoya with a wicked gleam in his eye, "can help us, and incidentally, yourselves by getting water control and more roads for the Glades."

He told how the wastage of soil in the Everglades is staggering, simply because of inadequate water control. DeMoya pointed out that the new sugar refinery outside South Bay was planting on virgin soil not under cultivation which is literally burning up. And he told of growers who have had to stand out on the main roads and watch their crops rot in the fields because flooded field roads balked their efforts to salvage the crops. —Palm Beach Post.

Mr. and Mrs. H. D. Fields, Sr., and daughters, Joyce and Dorothy, spent the past week visiting relatives in Miami. They will reopen their Tasty Coffee Shop on East Main Street today.

Great Bottleneck

Lack of housing and the blockade against building are framing a strangling bottleneck against the future growth of Stuart and Martin county.

Neither tourists nor working people can find adequate quarters.

Apartments, formerly available on a year round basis, are now being held empty in many cases for an undetermined season rental figure. What that will be no one yet knows—but the significance is that the rates will be sharply hiked above last season.

Working people—plain, ordinary folks—waitresses and clerks, the fundamental base of the economic system—are left high and dry. Their wages will not permit them to both work in Stuart and live in Stuart.

Dozens of new homes planned here by wealthy people for beginning of construction this spring are still on the planners boards gathering dust, because of CPA restrictions and lack of building materials at a fair price or any price.

We cannot conceivably do any more—or as much business this year as in the past four or five, because houses and apartments formerly available at reasonable year round rates to service families are now "off the market" except as high-price, short season tourist accommodations.

The situation is bad, and can be cured only by relaxing of federal restrictions, the flow of materials, and private initiative in construction.

Stuart could use 200 small homes in the \$4,000 class.

The town could easily support as many more apartment houses as we have now; and it is safe to say that we could economically justify five times as many tourist cottage camp and trailer accommodations as are at present in the territory—Stuart News.

Played For A Sucker

President Truman spoke the stark, literal truth when he told a banquet gathering celebrating the 39th anniversary of the U. S. army air corps that America would receive nothing from the peace settlements; that the United States had "no axes to grind." Altruistic motive saluted govern American delegates at the Paris meeting.

The United States will receive no territory or military bases. She has told the other powers that she wanted none of the reparations money. Italy and the Balkan countries may be required to pay for damages done to property of American citizens. That's all.

So far, the United States has not even been successful in having the Danube river thrown open to the world trade. The proposition, to be debated at the Paris conference, is being strongly opposed by Russia. Small wonder the Europeans play the Americans for "suckers"—Jacksonville Times-Union.

Rupert Mock, Jr., Is Seven Years Old

Rupert Mock, Jr., celebrated his seventh birthday anniversary at a party given by his mother, Mrs. Rupert Mock, at their home on Canal Point on Wednesday afternoon of last week.

Refreshments were served by the hostess to Wayne and Brenda Kay Unwin, Bill Cochran, Benny Baxter, Allen Segree, Judy Starling, Vickie and Junior Alley, Lovada and Harlene Williams, Judy Chandler, Linda Sellers, Reba Joyce Carlton, Jimmy and Gay Schoepel, Donna Lynn May, Susan Johnson, Sylvia Jones, Gloria Rockwell, Fred Blakey, Wayne Elliott Harry Brooks Elarbee, Billy Glynn and Jill McIlwain.

Bill Elam At Boys' State In Tallahassee

Bill Elam of Canal Point, a student at Pahokee High School, is representing the school at Boy's State being conducted this week at FSCW in Tallahassee. A member of the local TFA, letter man of the Blue Devil football team, and active in other school affairs, Bill should make an excellent representative for the school at Boy's State. Fred and Percy Mansfield Post 90, American Legion, is sponsoring Bill at Boy's State and covering all of his expenses while there.

Four Students Solo For First Time

Four students learning to fly under tutelage of the Glades Aviation company, closed for the first time this week. The students are: Albert Cowart, Howard Helman, Tut Guthrie and W. A. Rice. All four are learning to fly under the GI Bill plan, according to Bill Golden of the aviation concern.

The four students were taught the finer arts of fitting through the air by Gill Gilbladen who is connected with the flying concern.

as flight instructor. Headquarters for the company are located at the Belle Glade airport. Mr. Golden said.

Glades Schools To Register Thursday

All classes at Pahokee and Canal Point schools will register at the school on Thursday, Sept. 5. School buses will run at the regular hours on Thursday morning and registration will get under way at 9 a. m. All faculty members of the Pahokee schools will meet with Principal D. D. Caudill on Wednesday and officers and teachers of all schools of the County will meet with Supt. John I. Leonard in West Palm Beach on Friday, Sept. 6. Following these preliminaries actual classroom work will start at the regular hour Monday morning, Sept. 9.

Council Makes Two Moves For Safety

The Pahokee City Council had safety first measures chiefly in mind at a quiet session in the city hall Tuesday night.

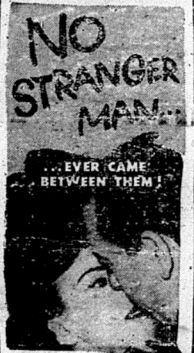

Ordinance 183, prohibiting the use of sheet metal in the construction of any building within the city limits was passed by title only. The reason for this ordinance is that during high winds flying sheets of metal ripped off of buildings constitute one of the greatest hazards to human life and the destruction of property.

Also as a safety measure to keep automobiles off the city dock Police Chief Altcorn E. Morgan was instructed to place a chain across the entrance and post a sign, "No cars allowed on dock except on business."

Cinematic Chatter

By Malcolm Millar

If you attend the Prince Theatre Thursday or Friday, September, 5-6 you will have the pleasure of sitting through an outstanding picture, that should leave a lasting photograph upon your memory.

The picture is "Devotion", taken from the popular novel of its time by Theodore Reeves and adapted to the screen by Keith Winter, with Ida Lupino and Paul Henreid as the stars with the top billing and Olivia De Havilland and Sidney Greenstreet in the principal supporting roles. Let us not forget Nancy Coleman, Arthur Kennedy, Daine May Whitty and Victor Franchen for their excellent performances.

The story concerns Charlotte (Olivia De Havilland and Emily (Ida Lupino) two sisters, reared

on the moors of England in a small Yorkshire village, who dream of being fine ladies in fine houses, living lives of luxury, comfort and enjoyment.

At last wealth does come, splitting the two devoted sisters. But with their wealth comes disillusionment, heart aches and awakening.

Of course after many dramatic moments, many exciting scenes and some tender love revelations the two sisters are re-united, having never ceased, really, to love each other with deep devotion.

Miss Lupino and Miss De Havilland rise to unprecedented dramatic heights, displaying some of their finest dramatic ability.

Paul Henreid and Sidney Greenstreet turn in unparalleled characterizations that adds to their already long lists of dramatic triumphs, and every member of the large cast display fine dra-

matic art in the unreeling of this story.

See you at the movies—Mal.

Lovda Williams Has Birthday Party

Mrs. H. T. Williams entertained at her home on Canal Point Road on Thursday afternoon of last week with a party honoring her daughter, Lovda on her tenth birthday anniversary. Other guests included Stella Sue Barnes, Nancy Hillier, Charlotte Cate, Carol Carpenter, Barbara Vertommen, Ann Thompson, Jeanine Mock, Donna Gail Jensen, Delores Williams, Roy Spooner, Ronnie May, Neil Kennen and Rupert Mock, Jr.

FISHING PARTY

A deepsea fishing party off the East Coast was enjoyed on Wednesday of this week by Mr. and Mrs. O. D. Carpenter, Mrs. Duncan Padgett, Eleanor Humphries, Peggy Moberg, Carol Carpenter, Donald Padgett, Milton Carpenter, Joy Padgett and Donald Smith.

Mr. and Mrs. H. T. Williams enjoyed a fishing trip off the East Coast near West Palm Beach over the weekend.

Frozen Food Locker Planned For Tampa

TAMPA—A completely equipped frozen food processing and locker the first of a number of such plant under construction here is plants planned for construction in Florida agricultural sections, Earl E. Carver, president of Florida Frozen Food Products, Inc., told the Tampa Advertising Club at its weekly meeting.

"It is our belief that this plant will be of great commercial benefit to farmers, fruit growers, meat producers, and others dealing in food, as well as to consumers who will be able to enjoy fresh food the year round at a great saving by purchasing food at the peak of the harvest season and storing it for consumption during the off season," Carver said.

Expected to open about September 16, the plant will be equipped to freeze any kind of food, including fish, fruit, vegetables, meats, and poultry, Carver added. The Tampa plant will contain a variety of novel food processing machines, such as one which will scale 1,000 pounds to fish per hour, he reported.

Serving you NIGHT & DAY with a smile

The Southern Bell family is made up of a whole of a lot of folks. As far as we know, it's the largest group employed by any company in the nine Southeastern states.

Operators, engineers, accountants, maintenance, construction, business office and administrative personnel—there are 45,000 busy telephone people. But that's not all. The number quickly grows to an astonishingly large part

of the South's population when you picture each telephone member in his own family circle and count about four noses to the family. You see, directly or indirectly, they're all interested in giving you the kind of telephone service you want night and day.

Telephone people are your friends and neighbors—the kind of folks you like to rub elbows with. You always know them by the voice with a smile.

Develop Plot Into Prayer Garden

The landscaping of the park at the rear of the Pahokee Methodist Church and developing part of it into a prayer garden and the building of a Youth Fellowship room for meetings and recreation on the park grounds has been undertaken as a project by members of the

senior Youth Fellowship group. Trees shrubbery and flowers will be planted, the first planting to take place this week when Miss Margaret Anderson, chairman, and members of her committee will set out some royal palms. The trees and shrubs are being furnished by the YE group who will welcome contributions suitable for planting from others interested in the development of the project.

To raise funds for the project

the group is sponsoring a series of social affairs, starting with a public barbecue on the church park Saturday, Aug. 31, from 5:30 to 8:30 p. m. The menu committee for this affair is composed of Murray Weeks, Melvin Spooner, George Belk, Jr., Miss Phyllis Belk, Miss Evelyn Maloy and Miss Ann Lee Hurt. Miss Laurie Rogers is in charge of the tickets which will sell for 75 cents each. Mrs. Velva Elliott, senior YF counselor, will assist the committees in general arrangements for the barbecue.

NOW, MORE THAN EVER BEFORE

THE ARMY HAS A GOOD JOB FOR YOU!

NON-COMMISSIONED GRADES NOW OFFERED TO FORMER ARMY OCCUPATIONAL SPECIALISTS

Good jobs in non-commissioned grades are being offered now by the Regular Army to qualified former servicemen!

Veterans discharged on or after May 12, 1945, who enlist or reenlist for 3 years may be enlisted in the non-commissioned grade for which qualified, provided this grade is not higher than that held at time of discharge, and provided that at least 6 months of former service was in one of 400 designated military occupational specialties in which enlistment is now desired.

Important, interesting jobs are open in hundreds of skills and trades in the Army, with splendid training and educational advantages! These are in addition to free food, housing, clothing, medical and dental care, low-cost insurance.

There's adventure, travel, education, a secure and profitable future in this vital, realistic profession. Get full details at your nearest Army Recruiting Station.

★ Highlights of Regular Army Enlistments

1. Enlistments for 1½, 2 or 3 years. (1-year enlistments permitted for men now in the Army with 6 or more months of service.)
2. Enlistment age from 18 to 34 years inclusive (17 with parents' consent) except for men now in the Army, who may reenlist at any age, and former service men depending on length of service.
3. A reenlistment bonus of \$50 for each year of active service since such bonus was last paid, or since last entry into service, provided reenlistment is within 3 months after last honorable discharge.
4. A furlough for men who reenlist within 20 days. Full details of other furlough privileges can be obtained from Recruiting Officers.
5. Mustering-out pay (based upon length of service) to all men who are discharged to reenlist.
6. Option to retire at half pay for the rest of your life after 20 years' service—increasing to three-quarters pay after 30 years' service. All previous active federal military service counts toward retirement.
7. GI Bill of Rights benefits assured for men who enlist on or before October 5, 1946.
8. Choice of branch of service and overseas theater (of those still open) on 3-year enlistments.

NEW PAY SCALE

In Addition to Clothing, Food, Lodging, Medical and Dental Care.

★ In addition to pay shown at right, 5% increase for Service Overseas. 50% if Member of Flying or Glider Crew. 5% increase in pay for each 3 years of Service.
